

Julia D'Adamo, Pharm.D.

**Pharmacy Strategy Manager—Québec
GreenShield
Montréal, Québec**

Julia D'Adamo is a pharmacy strategy manager on GreenShield's pharmacy team. Her primary role is to develop innovative products and bring her clinical experience to drug benefit decisions. Julia holds a doctor of pharmacy degree (Pharm.D.) from the University of Toronto and a bachelor of science degree (B.Sc.) in pharmacology from McGill University. Her expertise lies in the pharmaceutical industry, and she is an active member of l'Ordre des pharmaciens du Québec. Prior to pursuing her doctorate, Julia worked as a pharmaceutical representative for the start-up of a new product on the Canadian market. In this context, she collaborated with pharmacists across hundreds of pharmacies in the Montréal-Central and Montréal-West regions. In addition to her manager role at GreenShield, Julia also works as a pharmacist in a community pharmacy on Montréal's West Island. She also volunteers her spare time to promote the importance of education and encourage independent thinking among at-risk youth. Julia also spent several years volunteering in the kitchen of a West Island palliative care residence.
