

**Gina Ehlert, M.Ed.**

**National Trainer  
Mental Health First Aid USA  
Loomis, California**

Gina Ehlert, M.Ed., is the founding president and chief learning officer of GETrainingSolutions—a female-owned business—and is a national trainer of instructors for the Mental Health First Aid USA program. Ehlert contracts with the National Council for Behavioral Health and U.C. Davis Extension's Center for Professional Education to develop and deliver training and consulting services related to adult learning (T4Ts), as well as a broad array of topics related to leadership, wellness, management and supervision. She has more than 25 years' experience working with California county social services as well as alcohol, drug, mental health and provider agencies. She has worked in various supervision and management roles and brings extensive experience in workforce development, training, and learning development, including online teaching and learning. She holds a bachelor's degree in business management and a master's degree in education, and she has earned certificates in human resources management and online teaching and learning.
