

**Carlye Fabrikant, M.S., CWP, ACE-PT**

**Wellness Coordinator  
The School District of Palm Beach County  
West Palm Beach, Florida**

Carlye Fabrikant has been working in the field of health and wellness for over 25 years. She has worked in employee wellness in school districts and hospital settings, in fitness facilities as part of the management team and part of personal training and group fitness programs, in hospitals with cardiac patients, in health education with bariatric and diabetic patients, in universities as an adjunct professor, and in hospitals in community education. She holds a B.S. degree in sports medicine and an M.S. degree in exercise science and wellness education, and she is currently pursuing a graduate certificate in public health leadership. She holds a certification in personal training and is a Certified Wellness Professional. She serves on The School District of Palm Beach County's Wellness Promotion Task Force, on Keiser University's Dietetics and Nutrition Program Advisory Board and Exercise and Sports Sciences Program Advisory Board, and as the president of the Florida School District Employee Wellness Coalition.
