

Marcelle Goldenberg, ICD.D

**President
MG Consulting
Canadian Consultant
Robbins Geller Rudman & Dowd LLP
Thornhill, Ontario**

Marcelle Goldenberg is the president of MG Consulting and also serves as Canadian consultant with Robbins Geller Rudman & Dowd LLP. She also served as a union representative, director of research and executive vice president at the Service Employees International Union for 32 years. During Marcelle's ten years as trustee on the Healthcare of Ontario Pension Plan (HOOPP), she held the positions of chair of the governance and HR committee and chair of the board of trustees. She also held the positions as chair of the Nursing Homes and Related Industries Pension Plan and co-chair of the Multi-Sector Pension Plan. Marcelle's pension consulting practice includes an engagement by the board of trustees of HOOPP to assist the CEO Succession Committee. Her labour relations consulting practice includes working with unions as nominee to arbitration boards and working with the Ontario Nurses Association (ONA). Marcelle holds a B.A. degree in industrial relations and sociology from McGill University and a master's degree in industrial relations from the University of Toronto. She was admitted to the Law Society of Upper Canada as a paralegal. Marcelle earned the designation of ICD.D from the Institute of Corporate Directors and the University of Toronto Rotman School of Management. She successfully completed the Advanced Trustee Management Standards certificate with the International Foundation of Employee Benefit Plans.
