

Dominic Plante, CFA

**Vice President, Client Service and Business Development
Beutel, Goodman & Company Ltd.
Toronto, Ontario**

Dominic Plante joined Beutel, Goodman & Company Ltd. in 2018 as vice president of client service and business development. He has his portfolio manager license and has over 23 years of industry experience, most recently in wealth management of institutional sales at Canada Life. Dominic also held progressively senior positions at IA Clarington Investments, Mackenzie Investments and Desjardins Group in Toronto and Montréal. In his current role, he communicates with clients, prospects and consultants to strategically represent Beutel, Goodman & Company Ltd. investment strategies. Dominic is responsible for positioning the firm's products and articulating performance drivers and investment processes across insurance platforms, pension plans, foundations and endowments for the province of Québec and the Maritimes. He earned a bachelor of business administration degree from UQAM's School of Management and York University. Dominic holds a Chartered Financial Analyst (CFA) designation and is a member of the CFA Montréal Association.
