

# ISCEBS—A Community of Benefits Professionals

## ISCEBS—Career-Long Affiliation and Education

The International Society of Certified Employee Benefit Specialists (ISCEBS) is an organization exclusively for CEBS students and graduates, with nearly 3,000 members. Encourage your team members to join ISCEBS to keep up with the latest employee benefit trends and best practices to meet all the federal, state/provincial and local requirements essential to your organization's success.

### Membership benefits include:

- **ISCEBSLink**—A private, members-only online community where you can ask questions, get insights and share best practices with other benefits professionals
- **Webcasts**—Free access to timely, unbiased updates on emerging trends and compliance issues, available live or on demand
- **Benefits Quarterly magazine**—Written by recognized experts, each issue delves into a particular topic or trend, covering it from multiple perspectives.
- **Today's Headlines**—Daily dose of the top benefits news stories, carefully compiled from thousands of sources
- **Free research**—Our information specialists provide unlimited personalized research for you, using reputable, vetted sources of information.
- Discounted registration at the **ISCEBS Employee Benefits Symposium**, a conference designed for CEBS graduates and students who are looking for in-depth content and actionable takeaways.

*“The CEBS designation has expanded my network and has offered several opportunities to continue expanding and deepening my knowledge.”*
